

Sutton Integrated Digital Care Record

Sutton CCG and the London Borough of Sutton are working together to link your health and social care information to provide you with the best possible care.

Viewing your care information in one place means your health and social care professionals can work more efficiently to provide you with the right care.

Who can access my integrated record?

- ♦ Your health and social care professionals in Sutton
- ♦ Your consent is needed for health and social care professionals to view your integrated record
- ♦ Health and social care professionals can only see the part of your record that is necessary for them to care for you
- ♦ Your information will be held securely and accessed under strict guidelines

Can I choose not to have a Sutton Integrated Digital Care Record?

Yes. You can opt-out at any time by speaking to your GP practice and completing an opt-out form.

However, you do not need to do anything if you are happy for your information to be shared.
